Office/Factory

Cikananga Industrial Zone.
Jl. Raya Sadang – Subang Km. 4. Cikumpay
Campaka – Purwakarta 41181
West Java - Indonesia

Presentation Structure

- **Banshu Group**
- **About PT. Banshu Rubber Indonesia**
- **Technology - Capability**
- **Infrastructure**
- **Strong Footprint**

Engineering Rubber Part

Manufacturing & Compounding Rubber for :

- + Motorcycle
- + Heavy Equipment
- + Vehicle / Car
- + Rubber Manufacture

Deddy Harsono

Chairman & Owner
of Banshu Group

Establishment

2005

President Director

Deddy Harsono

Number of Employees

200

Location

Cikananga Industrial Zone.
Jl. Raya Sadang – Subang
Km. 4.Cikumpay

OUR JOURNEY

The Name of Banshu Signifies a Relationship of Trust With All Stakeholders.

Banshu Group Indonesia and Other Companies
Owned By Mr. Deddy Harsono

Business Profile

- **PT. Askara Internal**
One Stop Solution (Trading)
- **PT. Banshu Electric Indonesia**
Wiring Harness Manufacture
- **PT. Banshu Plastic Indonesia**
Plastic Parts Manufacture
- **PT. Banshu Rubber Indonesia**
Rubber Parts Manufacture
- **PT. Kinenta Indonesia**
Assembly Operation
- **PT. Piranti Teknik Indonesia**
Assembly Operation
- **PT. Kinenta Landscape Indonesia**
Civil Engineering
- **PT. Askara Inotek Indonesia**
Technical Support
- **PT. Persada Transport Indonesia**
Logistic & Transport Management
- **Foundation of Feranissa & Ar Rosyad**
Education & Social Program
- **Soleya Bali**
Resort & Villa
- **Elcon Banshu Wiring System**
Wiring Harness Manufacture

PT. Banshu Rubber Indonesia

Manufacturing Rubber Parts
for Almost All The Segments, such as

- + Automotive
- + Heavy Equipment's
- + Mining
- + Construction & Infrastructure
- + Electronics
- + Medical
- + Home Appliances

Our Parts are

Socket Bulb, Cover, Gasket, O-ring, Packing, Gasket, Rubber Mounting, Silicon Product, Cushion, Damper, Grommet, Bushing, Suspension Parts, Brake Parts, Rubber Pad, Rubber Sheet, etc.

Mixing & Compounding is Our Strength

- + Best Quality
- + Control Hardness
- + Can Make Parts as per Drawing/Sample
- + Durability and Strength can be maintained

Compound We Use

- Silicone Rubber (Hs 20- 80)
- Viton / FKM (Hs 40 - 90)
- Poly Uretan (Hs 40 - 90)
- EPDM (Hs 40 - 80)
- CR (Hs 40 - 80)
- NBR (Hs 40 - 80)
- NR (Hs 40 - 80)
- Butyl (Hs 40 - 60)
- SBR (Hs 40 - 80)
- Acrylic (Hs 40)

Manufacturing Facilities

- Computerized Weighing Chemistry - 3
- Mixing Machine (Kneader 3 Unit)
- Milling Machine Open Roll 3 unit
- Cutting compound Machine – 2 unit
- Compound Weighing 3 unit
- Rubber Injection Machine – 8 unit
- Vacuum compression molding machine -10 unit
- Compression Molding machine – 20 unit
- Oven Machine
- Slitting machine
- Extruder machine
- Sand blast machine & Deflashing machine

TECHNICAL CAPABILITIES

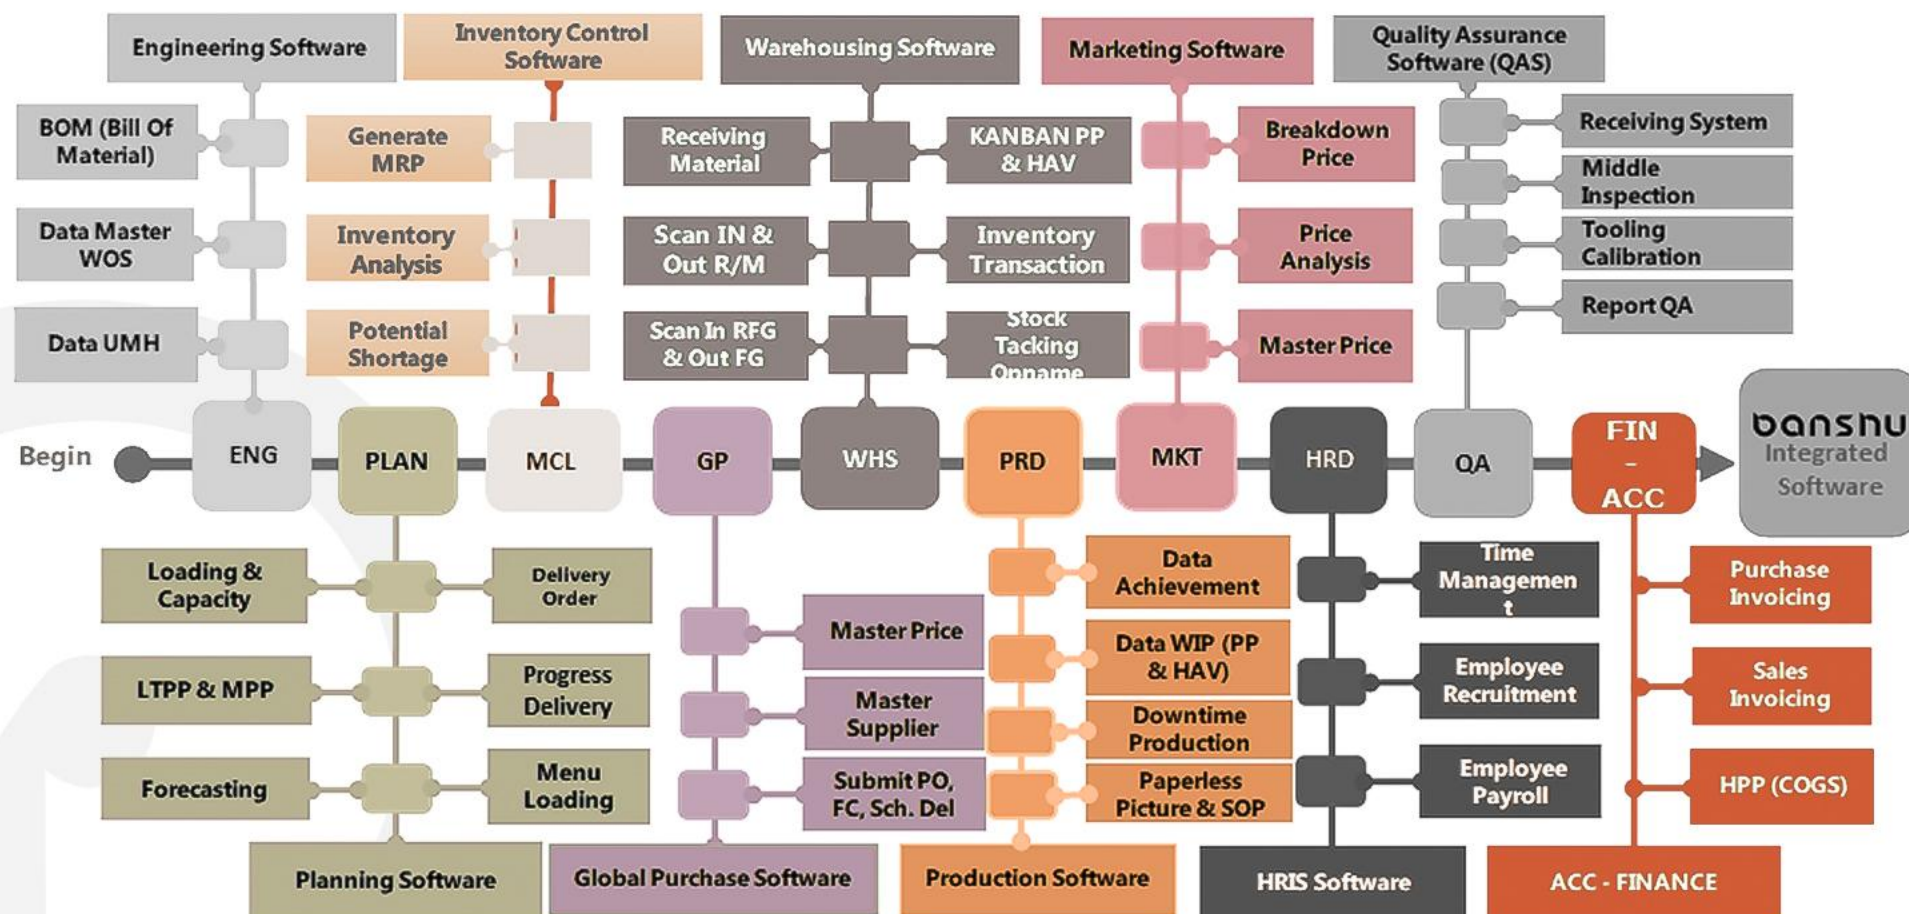

We provide more comprehensive business performance to customers for planning, design, development and production which supported by high technology software and hardware in the utilization of our software was supported with better technology systems, such as: Computer Engineering Systems and Molding Technology are done in Banshu Plastic Indonesia.

With the excellent technology of laboratory equipment, Internal such as Ozone Test, Rheometer, Tensile Strength, Oil Testing, Aging Test, Dumbbell Cutter, Digimatic Caliper, Hardness Tester, External such as RoHS Test, Free Sulfur Test, Measuring Machine (Mitutoyo Japan), CMM (Computer Measuring Machine), and many other rubber testing machines help us to control on Quality and always make Quality as the highest standard level.

SYSTEM DRIVEN APPROACH - BANSHU INTEGRATED SYSTEM

TRAINING AS ONE OF THE PILARS

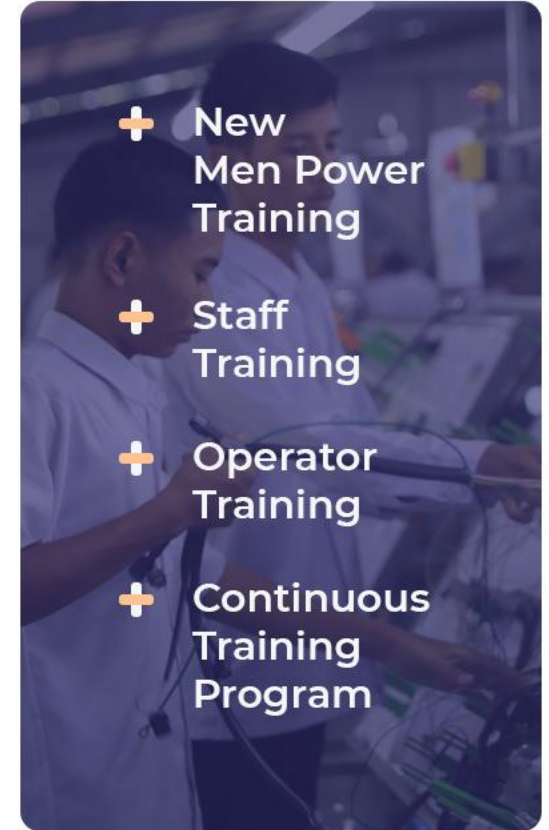

In order to survive & more effective and efficient in day-to-day operations. We must focus on Continued

Learning is for present Needs.

Development is for future Needs.

- + New Men Power Training
- + Staff Training
- + Operator Training
- + Continuous Training Program

CSR Initiative We Care

- **Free Cost of School Program**
for underprivileged children
- **Philanthropic Philosophy**
- **Encouraging Blood Donation**
to save lives
- **Religious Responsibility**
towards society
- **Work Life Balance**
family gathering & celebrating
independence day
